

UNIT 3: ATOMS, ELEMENTS, MOLECULES

Lesson 17: Mountains into Molehills

GUIDING QUESTION: HOW CAN WE USE MOLAR MASS TO CONVERT BETWEEN GRAMS AND MOLES?

Do Now:

No Do Now for Today

NOTES

You have been given a yellow paper with examples worked out for you.

Take notes *as needed* (any notes that *you* personally feel you need) on page 10.

If you don't feel you need to take any notes, cross off the notes section on page 10.
